Problem

➡ There is not enough information shared on the internet, specific for SKKU Students.

For Example...

Where is better place for Engineer majors to live?

What part of school is loud and noisy?

Where is good place to live for people who likes to eat and drink...etc

(알수없음)

울전 자취방 구하는 팁

방 구하는 글이 많이 올라오는 것 같아서
일단 울전에서 자취방 5번 구해봤기 때문에 학우님들께
도움이 될까 해서 올려봅니다!
[방구하는시기/구하는 순서/방 볼때 봐야할것들]
로 정리해 보았습니다.

6개월마다 방 옮기다가
현재는 굉장히 만족하는 방을 찾음
개인적인 의견이므로 참고만 할 것!

[방 구하는 시기]
종강 이후 빠를수록 좋음
개강 임박해서 구하면 좋은 매물들이 몇 개 없고,
원하는 조건의 방 수가 적어짐

[방 구하는 순서]
1. 원하는 위치 선정
(쪽문/후문 본찌 골목 쪽/ 후문 건너서/ 지관 뒤/화학관 뒤/성대
역 넘어서)

쪽문 / 후문 본찌 골목 쪽 : 학교와 가깝지만 그렇기 때문에 다른
위치들과 비교해봤을 때 동일 가격에 방이 좀 더 좁고 조건이 안
 좋음

후문 건너서 : 조용하고 쪽문과 비교했을 때 동일 가격에 방이
더 넓지만 학교까지 시간이 좀 걸림

화학관 뒤 : 조용하고 깨끗하고 동일 조건에 가격이 다른 위치들
보다 싸지만 술을 자주 마시고 밥을 친구들과 자주 같이 먹는다
면 밥집/술집과 너무 멀어서 힘든 선택이 될 수 있음

Problem

➔ Housing services exist, but they are not optimized for students

Needs!

➡ Easy-to-access room information

➡ The necessity for specialized services that target students living near the school

구해봐요 성대에 집

Get me a house at SKKU!

**A specialized web service dedicated to SKKU
students who are acquiring rooms, and students who
are living near school**

Expected Outcome

Easy Searching

Student Community

Sharing Information
